

YEAR 4 NEWSLETTER

Autumn Term 1 2020

Dear Parents and Carers,

Welcome back to you all after the long break we have had from school.

We will be placing the well-being of pupils at the heart of the work in September ensuring that we look after their physical and mental well-being. We will establish where your child is on their learning journey and implement catch up programmes where necessary. Our topic for this term is '**Land, Sea and Sky**'. All the Year 4 children need to ensure that they fully engage themselves in lessons and begin to maintain high standards of work again.

Your children will need your support throughout the year and it is essential that we work together in partnership. We understand this is an anxious time and a new experience for everybody involved. Should you have any concerns, please do not hesitate to arrange an appointment.

Thank-you for your support.
