

Dear Parents, Carers and Guardians

We would like to take this opportunity to welcome you back and hope that you all had a restful Easter break.

The children had a busy Spring Term and enjoyed taking part in Book Week. They were treated to a range of activities and performances and also participated in our Easter Celebration assembly at the end of term.

From the beginning of term we will be focusing mainly on English and Maths revision in preparation for the SATs tests in May. The children will receive lots of support from the Year 6 team with much of the learning taking place in small groups which will enable us to offer a more personalised revision programme. Please do come and see us if you have any questions or queries.

SATs Revision

Please help your child at home to revise for the forthcoming SATs tests in May. Ensure they complete any homework they are set as they will be covering areas in preparation for their tests. In addition, if you have internet access children have been provided with passwords to a wide range of interactive based revision such as Mathletics and Khan academy.

Punctuality and Attendance

It is crucial that all Y6's attend as much school as possible in the lead up to their tests. Please also do your best to ensure they are on time in order not to miss out on the introduction to their lesson or disturb the learning of other children whilst the teacher has to spend time going over information that they have missed!

SAT's Booster Classes

We are holding additional SAT's booster classes leading up to the tests in May:

- Sat 27th April
- Tue 7th May
- Sat 11th May

The Saturday sessions will take place from 9.00am until 12pm. The Tuesday session will take place after school from 3.30pm until 5.00pm. Refreshments will be provided.

PE

PE will be held on a Tuesday morning for Chestnut class and on a Friday morning for Oak class. Please ensure your child wears an appropriate PE kit and that they remember to bring it in for their lesson—making phone calls home from the office will not be possible.

SCHOOL UNIFORM

A reminder to all parents to ensure that children are wearing the correct uniform to school. They are not allowed to wear multi-coloured shoes—school shoes must be black or navy blue. They may however bring these trainers in to play football, but must change back into normal footwear for lessons.

Children are also not permitted to wear hoodies in lessons—only as an outdoor jacket to and from school and during playtimes. Please ensure your child has a school jumper and that it is labelled with their name that they can wear during lessons should they wish to.
